NOTICE NOTICE NOTICE NOTICE NOTICE NOTICE NOTICE

Since the inception of the "PNG CERTIFICATE OF GENUINENESS and GUARANTEE" we have been pleased to provide this extra service for our customers. We are happy to announce that requests for the "CERTIFICATE" have been increasing with each sale. Often the request has been made after the sale has closed and we have already shipped the coin. Since we must obtain the Specific Gravity and take six photos of each coin, our customer has often had the inconvenience and extra expense of returning the coin to us so that we might perform these necessary tasks. In order to eliminate this inconvenience to you, "Our Customer", we are completing certificates in advance, as far as the technical data is concerned, for the coins we feel "Certificates" are most likely to be requested. These lots will be marked (PNG) and the certificate will be sent to the buyer at the close of the sale. On lots not so marked, and for which a certificate might be desired, may we suggest that the request be made at the time bids are submitted. This will eliminate the need for returning the coin to us, and enable us to provide the service without any inconvenience to you. Charges for the certificate are still : \$500.00 and up FREE, \$200.00 to \$500.00 \$5.00, and up to \$200. \$10.00.
